

Disco Balls Band description

“You Should Be Dancing, Yeah!” and a great way to do that is with The Disco Balls Band playing your event! Disco music was meant to look this good, and that’s no lie! Taking you back to Studio 54 circa 1975, slide on some Bell Bottoms, tight as can be, platform shoes taking you into the heavens, get your booty out on the light up dance floor where the disco, funk and R&B will have you “Stayin’ Alive” in the hopes to “Get Down Tonight!” The Disco Balls Band will have the party going and everyone Groovin’ because after all.. “Thats The Way Uh Huh... Uh Huh, they Like It!”
